WEBINAR DESCRIPTION

This webinar provides insights into negotiating salaries and compensation packages for academic, non-profit and local government jobs in public health. Early career professionals, graduate students and those seeking career advancement will greatly benefit from this webinar hosted by the Society for the Analysis of African American Public Health Issues (an APHA related organization).

LEARNING OBJECTIVES:
- Learn tips for negotiating salary and compensation packages for public health jobs in academia, non-profit and local government.
- Discuss considerations for transitioning to new public health positions.
